Race Change Procedure

A considerable amount of time goes into preparing race schedules. Changes should be made by coaches prior to event day and final schedule being released.

However, if a change needs to be made, please do so by Race 5.

The following procedure applies:

1. Obtain Race Change Form from Numbers (if Numbers unattended, see Tower)
2. Complete form with race change request - one form per paddler/team per event
3. Form to be signed by Coach*
4. Take completed form to Race Secretary in Tower (prior to Race 5)
5. Form to be authorised by Tower Control Official
6. Authorised changes to be updated on Official Race Schedule by Race Schedule Official
7. Runner to update race schedules as listed on form
8. Form to be retained for records

*If you don't have a coach:

Seniors – sign your own

Juniors – parent/guardian to sign

Please note the following:

- ◆ Paddlers withdrawing from an event due to an injury must withdraw from ALL scheduled races.
- ◆ In official events if you miss your race you are disqualified and have to re-enter and pay registration fee again to continue racing.
